### Notes & Comments

<b>1</b>	<b>Youth with Complex Needs</b>  Discussion using scenarios of actual youth that are unable to be placed and those successfully placed.  Youth that should be in a STRTP, but are not accepted.	Is this a youth that STRTPs were developed for? Why can't he/she be served in their STRTPS?  What is needed from the placing agency? What is needed from mental health? What is needed from the state? What is need from the provider?
<b>2</b>	<b>Local Partnership - MOU</b>  Richard Knecht	Final draft template MOU formalizing how local county and partner agencies work together.  1. Aligned mission and goals 2. Outline Senior policy role and Management Role for this work 3. Link to the integrated practice policy
<b>3</b>	<b>Next Meeting</b>	Thursday, July 20, 2017, 3:00-5:00 pm  Next topic: Identification and discussion of the implementation challenges & unintended consequences of CCR.
